

How to setup a Stripe Account

If you don't already have a Stripe account, please follow these instructions to set up your account.

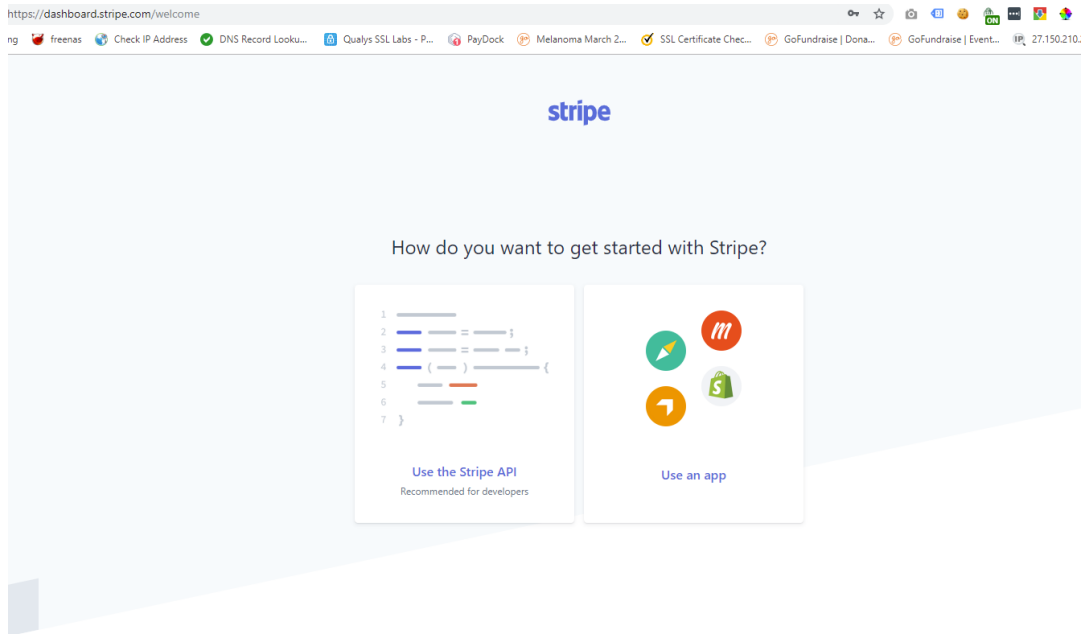

Visit <https://dashboard.stripe.com/register>

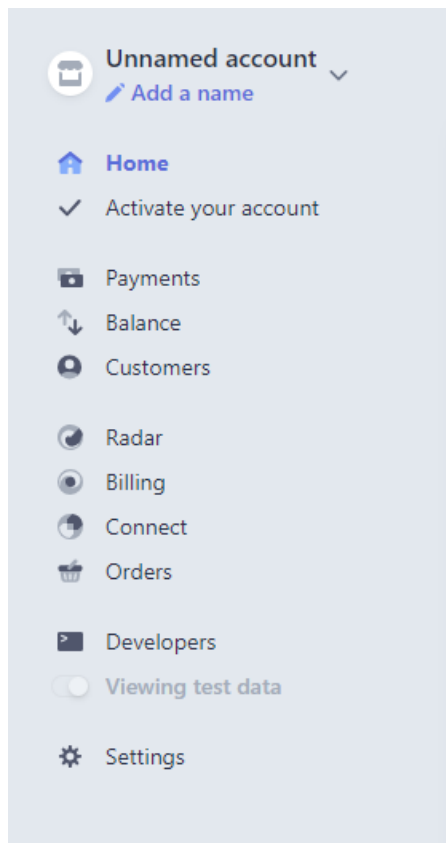

The image shows a screenshot of the Stripe registration page. On the left, the Stripe logo is displayed above three bullet points: 'Quick and free sign-up' (with a checkmark), 'Simple integration', and 'Start accepting payments'. The main content is a white registration form titled 'Create your Stripe account now'. The form contains the following fields: 'Email' (with a calendar icon), 'Full name', 'Password' (with an eye icon), and 'Confirm password' (with an eye icon). Below these fields is a reCAPTCHA section with a checkbox labeled 'I'm not a robot' and the reCAPTCHA logo. At the bottom of the form is a blue button labeled 'Create your Stripe account'.

Already have an account? [Sign in.](#)

After creating an account click **“Skip for Now”** at the bottom of the page

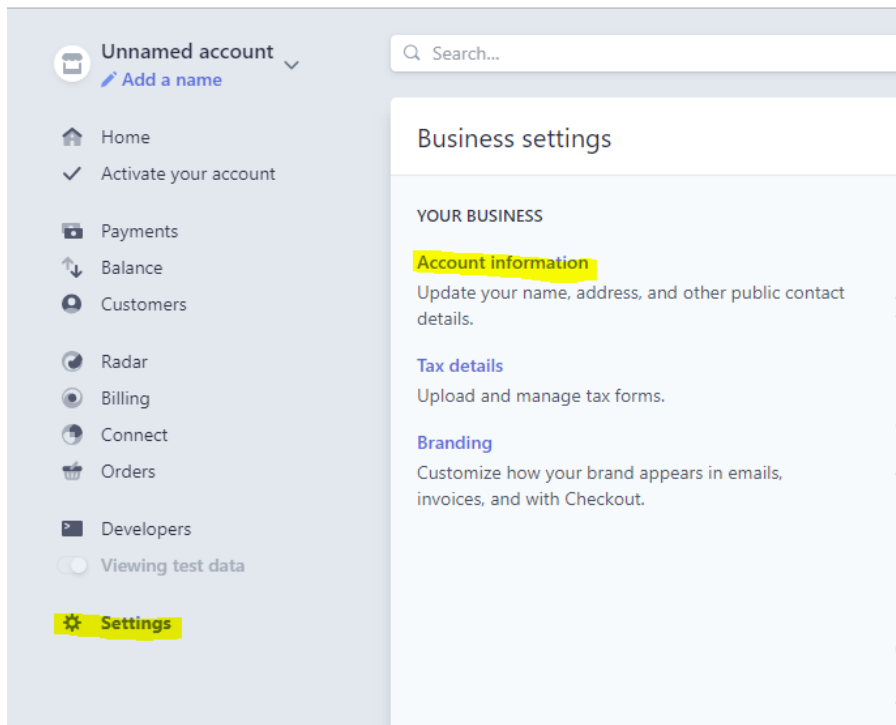

You will then see the following details:

Complete the steps to “**Activate Your Account**”

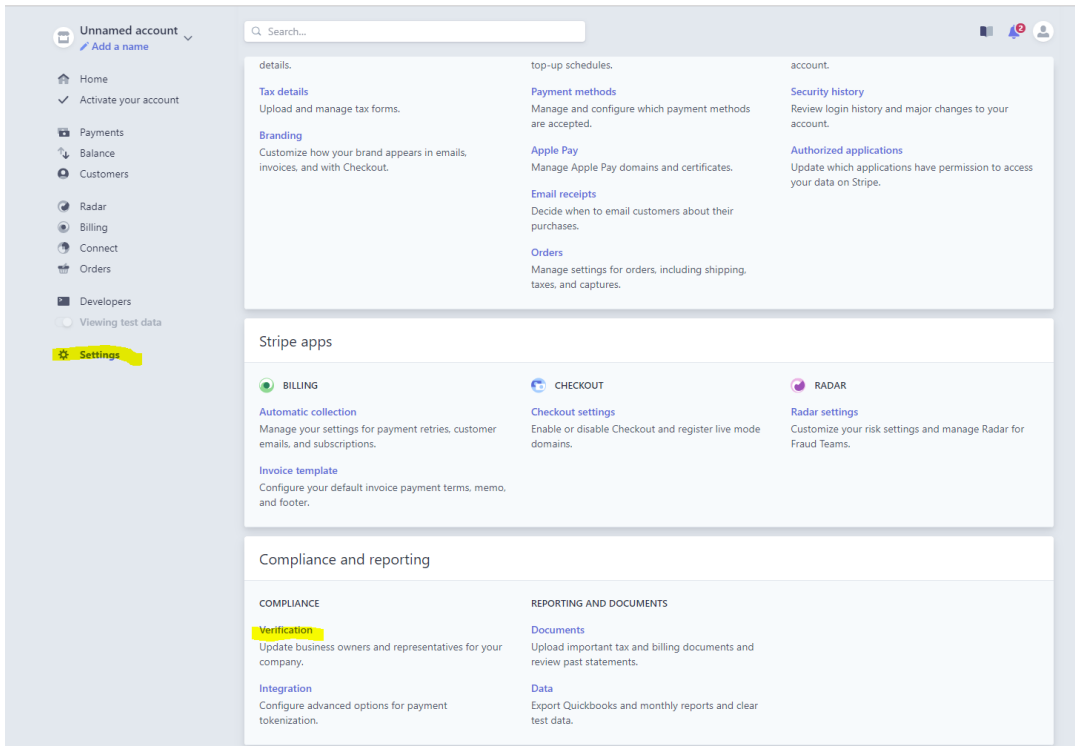

If you did not complete this section during the activation process, **make sure your account is set to the same country as the GoFundraise REGION you are connecting to**

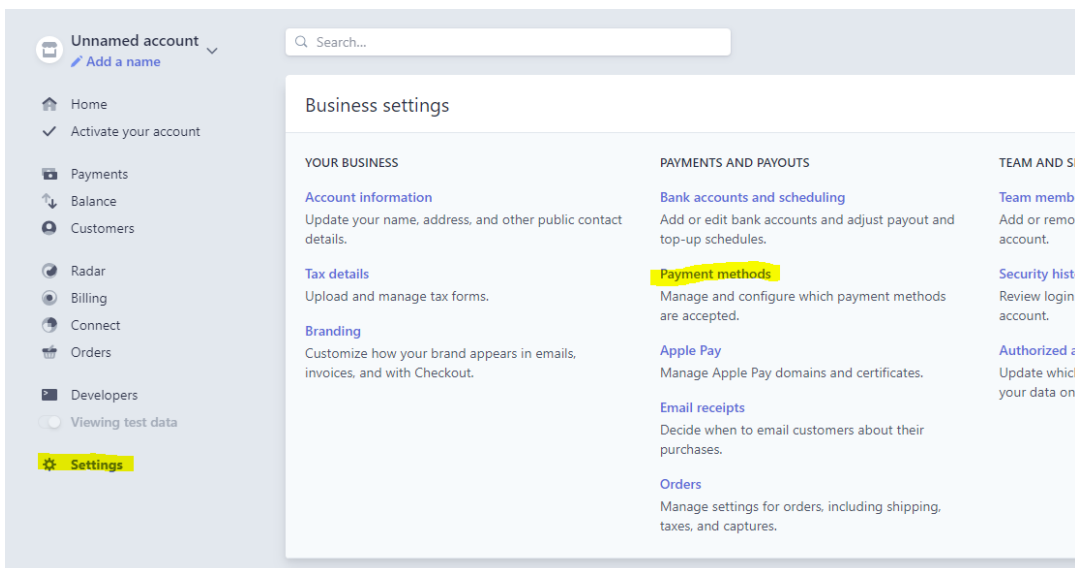

For

- gofundraise.com > United States
- gofundraise.com.au > Australia
- gofundraise.co.nz > New Zealand

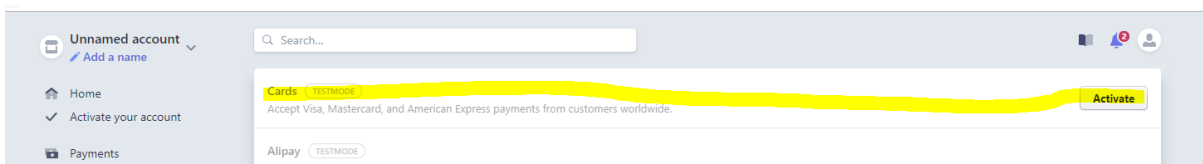

After you have Activated your account you should go to **Settings -> Verification** and complete that section

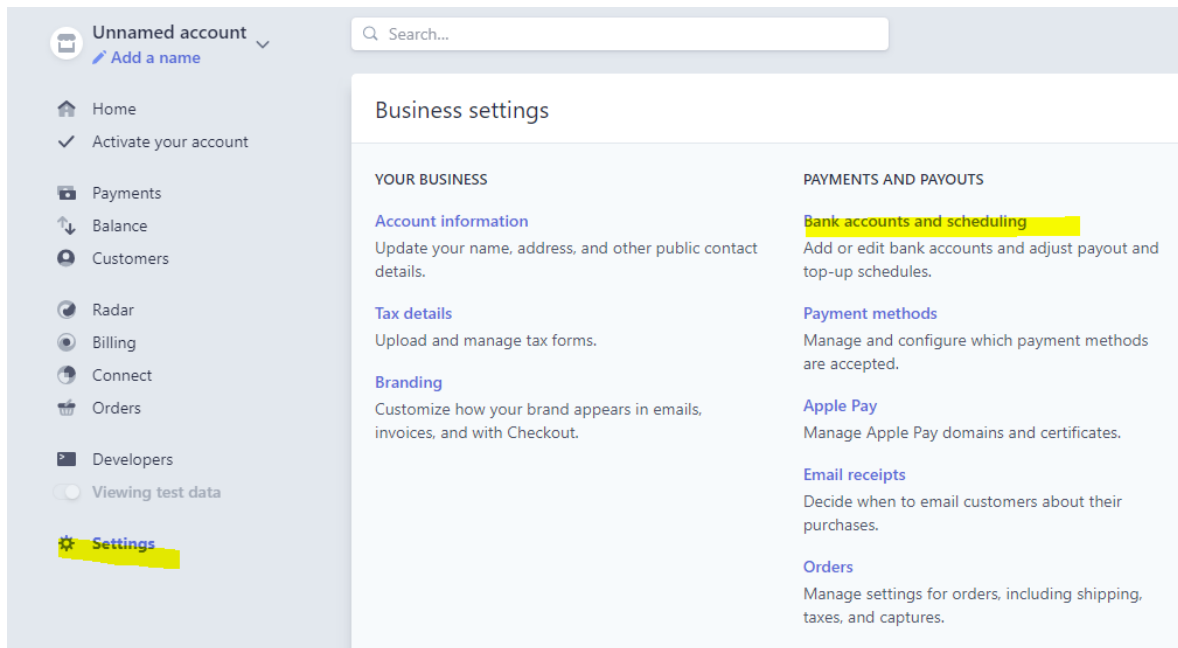

You now need to **set up payment methods**

At present GoFundraise only supports **Cards** and this **must be Activated** prior to connecting your account to the GoFundraise platform.

Then **set up your bank account** to where the Fund will be disbursed from Stripe. Please note: You should use a bank account in the same currency as the GoFundraise region to avoid additional fees from Stripe

For

- gofundraise.com > USD
- gofundraise.com.au > AUD
- gofundraise.co.nz > NZD
